#### 5 HOUSING BENEFIT PERFORMANCE

- 5.1 The main indicators for Housing Benefit and Council Tax Benefit performance are the National Indicators for Right Benefit and Right Time. The benefit section also report on Local Performance Indicators that have been set within the department for benefit fraud and overpayments.
- 5.2 The Department for Work and Pensions does not require Local Authorities (LA's) to report on any other Performance Measures but encourages them to monitor their own performance locally.
- 5.3 We obviously consider it very important to monitor benefit fraud and also overpayment data.
