

MINUTES OF THE CAR PARKING WORKING GROUP HELD ON MONDAY 11 JANUARY 201

at 2.30pm

PRESENT: Cllr R Thompson (Chairman) Adrian Harper
Cllr S Carefoot Daniel Sutcliffe
Cllr A Brown
Olwen Heap

APOLOGIES

No apologies for absence were received. Cllr Allan Knox was absent from the meeting.

MINUTES OF MEETING HELD ON 29 SEPTEMBER 2015

These were approved as a correct record.

GENERAL UPDATE ON CAR PARK ISSUES

- Lady fell on North Street car park – no claim as yet
- Van hit height restriction barrier on Holden Street car park – all car parks that have these barriers will have fluorescent tape put on them
- Barclay Road – issue with people stumbling over speed bumps – claims received – await outcome from insurers before any action is taken
- Mitchell Street – rail work completed – income received – some complaints about noise of overnight work – not our issue
- Mitchell Street – extension of car park – planters put in this area for a reason
- New £1 coin in 2017 – price to update machines is £200 each x 23 machines. Also consider updating machines where car park takes as much as £7.80 with card readers at the same time (Railway View and Lowergate) @ £5000 per machine
- Cllr Thompson will look at rules on car park in Skipton for disabled users

PAY BY PHONE

Adrian and Cllr Thompson had attended two demonstrations from companies who operate Pay by Phone facilities.

Chipside, who the Council already works with will install the signage at no cost to the Council on all car parks that would allow customers to pay for parking by phone as well as top up once parked. The user is charged 10p to use the system and 10p to receive a text.

ACTION: the Working Group agreed to a 12 month trial. An item would be included on the General report to Community committee for information.

RESIDENTS' PARKING

Daniel reported three areas where residents' parking is provided at no cost to the resident but where the Council maintains the land. One in Longridge and two in Clitheroe.

ACTION: Daniel to find further information regarding business rates, other service rates and history of sites and report back to this group.

PEEL STREET CAR PARK

Adrian informed the group that a Part 2 report would be presented to Policy and Finance committee regarding an offer received for this car park.

AOB

Notices required where there are motor cycle spaces to indicate no requirement for payment.
