

TREE PRESERVATION ORDER NO. 2, 1985

LONGRIDGE ROAD, CHIPPING

FIRST SCHEDULE

Number on Map	Description	Situation
<u>Trees specified individually</u>		
None		
<u>Trees specified by reference to an area</u>		
None		
<u>Group of Trees</u> (within a dotted black line on the map)		
G1	Line of 3 lime trees	G.R.6239, 4316 fronting the east side of Longridge Road at the southern end of the development site immediately north of "Brookfield".
G2	Line of 3 lime trees	G.R.6240, 4315 fronting the east side of Longridge Road at the northern end of the development site immediately north of "Brookfield".

Reasons for making the order:

The trees are an important feature in the street scene at the southern approach to the Chipping Conservation Area.
