

RIBBLE VALLEY HOUSING AND ECONOMIC DEVELOPMENT
REGULATION 18 ISSUES AND OPTIONS
SUGGESTED SITE FOR CONSIDERATION AUGUST 2016

RVBC are holding a 'call for sites' for housing, employment and retail land purposes as part of a consultation on the forthcoming Housing and Economic Development DPD.

This form can be used to submit suggested housing sites, employment land sites and proposed retail sites to the Council.

If you wish to submit a site as a potential option for allocation as part of this process, please complete this form and provide a location plan which enables the site and its boundaries to be identified clearly. Gaps in providing information could cause delay in assessing your site and its possible inclusion in the Housing and Economic Development DPD site consideration process. If you wish to provide any supplementary information in support of your responses, please append it to this questionnaire.

Please do not submit sites which:

- Already have planning permission or are under construction as these are already accounted for in the plan making process.
- In relation to housing are located in settlements where the residual housing requirement has already been met. The call for housing sites relates only to those settlements where a residual requirement remains. These settlements are:
 - Chatburn
 - Mellor
 - Wilpshire

Please use a separate form for each site.

Information provided on this questionnaire will be made public as it will form part of the evidence base to the Local Development Framework. We will not publish personal address and contact information and will hold your information in accord with the requirements of the Data Protection Act. All information provided will be available to the Inspector appointed by the Secretary of State to hold the Examination in Public.

The suggestion of a site does not imply on the Council's part that it will agree that a site has potential for housing, employment or retail uses; or that planning permission would be forthcoming for housing, employment or retail uses; or that it will be allocated for development in any of the Council's Development Plan Documents.

Please return this completed form along with a site plan and any further supporting information no later than 5pm Friday 7th October 2016 to:
