If you wish to submit a site as a potential option for allocation as part of this process, please complete this form and provide a location plan which enables the site and its boundaries to be identified clearly. All information provided will be available to the Inspector appointed by the Secretary of State to hold the Examination in Public.

**The suggestion of a site does not imply on the Council's part that it will agree that a site has potential for housing, employment or retail uses; or that planning permission would be forthcoming for housing, employment or retail uses; or that it will be allocated for development in any of the Council's Development Plan Documents.**

Please return this completed form along with a site plan and any further supporting information no later than 5pm Friday 7<sup>th</sup> October 2016 to:
