- > Dear Planning Officers, thank you for writing to me and explaining your proposed sites for Employment land at Higher College Farm EAL 3 reg 19.
- > Having lived close by for most of my life I do not want to see the further erosion of our beautiful countryside. The traffic around Dilworth and Lower Lane is already horrific and impossible for a person of my age to negotiate. Any development would increase the volume of traffic and heavy goods vehicles and present safety issues for everyone.
- > Our beautiful Ribble Valley is being slowly taken away and no one seems to care.
- > I hope you will care and pass my thoughts on to those who can make a difference.
