Q4

As a consequence do you consider the HED DPD is:

- i) Legally compliant
- ii) Sound*

Yes

No

* The considerations in relation to the HED DPD being sound are explained in the Guidance Notes

Q5

If you consider the HED DPD is unsound, is this because it is not... (please tick the appropriate box)

- Justified
- Effective

- Consistent with national policy
- Positively prepared

Q6

Please give details of why you consider that the HED DPD is not legally compliant or sound. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the HED DPD, please also use this box to set out your comments. Please continue on a separate sheet if required.

The proposal should not include the valuable woodland at the southern end known as Knotts Wood. As well as being a haven for all types of wildlife and very old trees it is an amenity enjoyed by all as a public footpath runs through it.

Q7 Please set out what change(s) you consider necessary to make the HED DPD legally compliant or sound, having regard to the test you have identified at Q5 above where this relates to soundness.

You will need to say why this change will make the HED DPD legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be precise as possible. *Please continue on a separate sheet if required.*

Including the woodland in such a large plot makes no sense. The plot is far too big given the other problems such as drainage, pylons, access, traffic, visual impact etc. So including valuable woodland is wrong. The woodland should be removed from the proposal.

Please note: your comment should cover succinctly all the information, evidence, and supporting information necessary to support/justify the comment and the suggested change, as there will not normally be another opportunity to make further comments based on the original comment made at the publication stage.

After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues he/she identifies for examination in the forthcoming Examination in Public. Please note also that the Inspector is not obliged to consider any previous comments that have been made in respect of the HED DPD. You are urged, therefore, to re-submit on this form any previously submitted comments that, in your view, remain valid and that you wish the Inspector to consider.

Q8 If your representation is seeking change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I do wish to participate at the oral examination

Q9 If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary. (Please note that the Inspector will determine who participates.) Please continue on a separate sheet if required.
