RE: Wilpshire Housing Development

I am a resident [REDACTED]

I have been reading about the housing situation in Wilpshire and I believe that the land at Wilpshire 3, Wilpshire Banks is the best place to meet our criteria for houses in the area. I don't think there would be much disruption to the roads and the community in Wilpshire. The access to the main road will also be much better than the other two small pieces of land in wilpshire, that can't even have a lot of houses on them. I read in the paper about the trees, I'm sure they can still be protected even if they are building there.

Many Thanks
