Dear Mr Dagnall,

I would like to say thanks for the update on the public consultation regarding proposed sites for future development in Wilpshire. I was pleased that my views were shared by many others and area 3, off Whalley Rd, was deemed the only sensible option.

However someone did point out that it is also important to ensure a clear demarcation between area 3 and adjacent land which falls within the Blackburn boundary. I would like to add my support for this point of view. After all we do live in Wilpshire in the Ribble Valley and wish to remain so.
