Subject: Consultation.

Dear Sir

The DPD Issues and Options Consultation paper sets out a wide ranging vision for development. After reading the document (19) I think the DPD will help complete the Local Development Framework for the area and be ready for submission into the Core Strategy (2008-2028). I fully support the proposed new settlement boundary for the village of Chatburn. It is important for the Ribble Valley to keep it's rural identity and these proposals from the Forward Planning Team help achieve that aim.

[REDACTED]
Ribble Valley Borough Councillor

Chatburn Ward.
