Dear Sir / Madam

Thank you for your consultation seeking the views of United Utilities on the Ribble Valley Housing and Economic Development DPD (HED DPD) Regulation 22 Consultation. We have reviewed the amendments made to the document since the last consultation stage, and in this case we have no further comments to make. Please note however that any comments contained within previous consultation responses to this draft Housing and Economic Development DPD (HED DPD) are still applicable.

I would be grateful if you could continue to keep United Utilities informed of future consultations, to ensure we can protect existing, and facilitate the delivery of any necessary new sustainable water and wastewater infrastructure in line with your housing and employment delivery targets.

If you wish to discuss anything in further detail please don't hesitate in contacting me.

Kind regards
