1. INTRODUCTION

- 1.1 On 23 August 1982, the Council adopted Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (the “**1982 Act**”), which gave it the power to license and regulate Sex Establishments, which were at that time defined as Sex Shops and Sex Cinemas.
- 1.2 In September 2008, the Home Secretary at that time announced the Government’s intention to give local people greater say over the number and location of lap dancing clubs in their area. This followed consultation with Local Authorities which highlighted concerns that existing legislation did not give communities sufficient powers to control where lap dancing clubs were established.
- 1.3 As a result Section 27 of the Policing and Crime Act 2009 (the “**2009 Act**”) reclassifies lap-dancing clubs into a new category of Sex Establishment called a ‘Sexual Entertainment Venue’ (“**SEV**”) and gives Local Authorities in England and Wales the power to regulate such venues under the 1982 Act.
- 1.4 On 14 December 2010 the Council resolved to adopt these powers.
- 1.5 A consultation took place on this policy from 6 October to 16 December 2011. The results of the consultation were reported to Licensing Committee on 20 March 2012 for further consideration and were then referred to Policy & Finance Committee and Full Council.
- 1.6 The Policy will be kept under review and amendments proposed in the light of any changes in the relevant legislative provisions.
- 1.7 Any person wishing to operate a Sex Establishment as defined in Schedule 3 of the 1982 Act requires a licence, unless the Council has waived the requirement for a licence. This document sets out the Council’s policy in relation to the licensing of Sex Establishments within its administrative area.
- 1.8 The aim of the policy is to provide guidance for prospective applicants, existing licence holders, those who may wish to object to an application and members of the Licensing Committee when making a determination on an application. The policy provides framework guidance but, the Council as the Licensing Authority, will ultimately determine each individual application on its own merits.
- 1.9 The policy also provides prospective applicants with details of what is expected of them should an application be made. Not all premises will automatically require a licence, and where there is an exemption this has been set out in this policy.
- 1.10 Notwithstanding the matters set out within this policy consideration will be given to the provisions of the Human Rights Act 1998 and the Home Office guidance issued

in March 2011 entitled “Sexual Entertainments Venues – Guidance for England Wales” when considering applications for SEV’s.

- 1.11 The Council does not take a moral stance in adopting this policy. The Council recognises that Parliament has made it lawful to operate sex establishments and that such businesses are a legitimate part of the retail and leisure industries. It is the Council’s role as Licensing Authority to regulate such premises in accordance with the law.

- 2.2 There are 3 types of sex establishment: Sex Shops, Sex Cinemas and Sexual Entertainment Venues.

“(1) *Any premises, vehicle, vessel or stall used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying or demonstrating -*

- (2) No premises shall be treated as a sex cinema by reason only -
- (a) if they may be used for an extension of a film (within the meaning of paragraph 15 of schedule 1 to the Licensing Act 2003) by virtue of an authorisation (within the meaning of section 136 of that Act), or their use in accordance with that authorisation; or

- (b) *of their use for an exhibition to which Section 6 of that Act (certain non-commercial exhibitions) applies given by an exempted organisation within the meaning of Section 6(6) of that Act.*

Sexual Entertainment Venue

2.7 Sexual Entertainment Venue (“SEV”) is defined as:

“2A (1) *In this Schedule “sexual entertainment venue” means any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.*

(2) *In this paragraph “relevant entertainment” means –*

- (a) *any live performance; or*
- (b) *any live display of nudity;*

which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

(3) *The following are not sexual entertainment venues for the purposes of this Schedule -*

- (a) *sex cinemas and sex shops;*
- (b) *premises at which the provision of relevant entertainment as mentioned in sub-paragraph (1) is such that, at the time in question and including any relevant entertainment which is being so provided at that time –*

- and for the purposes of sub-paragraphs (1) and (2) it does not matter whether the financial gain arises directly or indirectly from the performance or display of nudity.”*

Waivers

- 2.8 Applications can be made to waive the requirement for a sex establishment licence.
- 2.9 The Council does not consider that it would be appropriate to permit waivers of the requirement to hold a sex establishment licence in respect of Sex Shops and Sex Cinemas, save for in extreme circumstances considered by the Licensing Committee (i.e to allow the temporary re-location of a business following damage to its current premises).
- 2.10 The Council does not consider it would be appropriate to permit waivers from the requirements to hold a sex establishment licence in respect of SEV's, as the legislation allows for entertainment on an infrequent basis of no more than 11 occasions within a 12 month period, providing there is at least one month between each period of entertainment which itself does not last for more than 24 hours.

3. APPLICATION PROCESS

- 3.1 Applicants should be aware that planning permission to operate a premises as a sex establishment may not be in place. Planning is a separate process to obtaining a sex establishment licence. The Council recommends that applicants ensure that the appropriate planning permission is in place prior to submission of an application for a licence.
- 3.2 All applications (grant/variation/transfer and renewal) must be submitted to the Administration and Licensing Officer together with the application fee. These may be submitted by post or online. The application form can be found on the Council's website or can be obtained from the Administration and Licensing Officer.
- 3.3 The schedule of fees can be found at on the Council's website or can be obtained from the Administration and Licensing Officer.
- 3.4 If the application is submitted electronically then it is the responsibility of the **Council** to send a copy of it to the chief of police, not later than 7 days after the date the application is received.
- 3.5 If however, the application is submitted by any other means it is the responsibility of the **Applicant** to send a copy to the chief of police within 7 days of the application being made.
- 3.6 When making an application for a grant or variation of a licence all applicants must provide a scheme showing the exterior design for consideration by the Council to ensure that the exterior design is such that the interior is not visible to passers-by. They must also submit a plan of the interior layout for consideration by the Council. In the case of SEVs this must outline the area where the relevant entertainment will take place.
- 3.7 Applicants for SEVs must submit a copy of their "House Rules" which shall include the required conduct of performers i.e no touching, no meeting customers outside of the licensed premises for any purpose, no sex acts, no giving or taking phone numbers (including exchange of business cards). These rules will form part of the licence, if granted, and may be subject to amendment by the Council prior to approval.
- 3.8 The Applicant must make provision for all performers to sign documentation to confirm their knowledge of and acceptance to adhere to the House Rules. Such documentation must be retained for the duration of the performers' employment and for a further 6 months from the date they last worked at the premises, whether they are employed directly or freelance.

- 3.9 The Council may as part of the application process, visit the locality of the premises to establish whether there are any characteristics of the locality, which may require consideration by the Licensing Committee.

Notices

- 3.10 The Applicant must give public notice of the application by publishing an advertisement in a local newspaper that is circulated in the Council's area no later than 7 days after the date the application is made.
- 3.11 Where the application relates to premises, a notice should also be displayed on or near the premises in a place where members of the public can conveniently read it. The notice should be displayed for a period of 21 days beginning with the date the application was made.
- 3.12 The Council's prescribed notice can be found on the Council's website or can be obtained from the Administration and Licensing Officer.

Commenting on licence applications/objections

- 3.13 When considering an application for the grant, renewal or transfer of a licence the appropriate authority should have regard to any observations submitted to it by the Chief Officer of Police and any objections that they have received from anyone else within 28 days of the application.
- 3.14 Any person can object to an application but the objection should be relevant to the grounds set out in Schedule 3 Paragraph 12 for refusing the licence.
- 3.15 Anyone wishing to object must give notice of his or her objection in writing, stating the general terms of the objection. Any objections, which do not comply with paragraphs 3.13 and 3.14, shall be rejected and the applicant will be given written reasons.
- 3.16 Where the Council receives notice of an objection the Council shall before considering the application, give notice in writing of the general terms of the objection to the applicant. The Council will not without the consent of the person making the objection reveal their name or address to the applicant.

Hearings

- 3.17 Before refusing an application all applicants shall be given the opportunity to appear before and be heard by the Licensing Committee responsible for determining the application. The Licensing Committee may at its discretion hear representation from an objector at such hearing.

Duration of a licence

- 3.18 Licences for sex establishments can be granted for up to one year.

Refusal of a licence

- 3.19 Under the 1982 Act the Council may refuse to grant/transfer/renew a licence on the following grounds:
- 3.20 A licence **must not** be granted:
- (a) to a person under the age of 18;
 - (b) to a person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months;
 - (c) to a person, other than a body corporate, who is not resident in an EEA State or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
 - (d) to a body corporate which is not incorporated in an EEA State; or
 - (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.
- 3.21 A licence **may** be refused where:
- (a) the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
 - (b) if the licence were to be granted, renewed, or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
 - (c) the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality;
 - (d) that the grant or renewal of the licence would be inappropriate, having regard –
 - (i) to the character of the relevant locality; or
 - (ii) to the use to which any premises in the vicinity are put; or
 - (iii) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.
- 3.22 The Council will only refuse to grant, renew or transfer a licence on one or more of the grounds above, and when determining a licence application will have regard to any rights the applicant may have under the Human Rights Act 1998.

3.23 Should the Council decide to refuse a licence on any of the grounds above it shall provide the reasons for its decision to the applicant in writing.

Relevant Locality

3.24 When considering the relevant locality in respect to the grounds set out above the Council shall particularly take account of the density and proximity of:

- (1) schools, nurseries, crèches, youth hostels and other similar educational or recreational facilities attended by children;
- (2) parks and children's play areas;
- (3) residential and sheltered accommodation;
- (4) religious and community buildings;
- (5) alcohol or entertainments licensed premises;
- (6) places and or buildings of a historical/cultural interest, tourist attractions; and/or
- (7) other retail units (and their uses).

3.25 The Council will consider the extent of the locality on a case-by-case basis taking into account the particular circumstances of each case. However, the Council will not seek to define locality as the whole of the Council's administrative area or an entire town.

3.26 When hearing an application the Licensing Committee shall have regard to the guidelines set out above but subject to the overriding principle that each application will be determined on its merits.

Numerical Limits

3.27 The Council may refuse an application if it is satisfied that the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality.

3.28 The Council does not seek to set out in this policy the number of sex establishments, which it considers, appropriate in any locality within the Council's administrative area. Consideration will be given to the locality in each case and to the number of sex establishments suitable for that locality. The Council is however able to determine that the number suitable for any particular locality is nil.

Appeals

3.29 Should the Council refuse an application for the grant, renew, or transfer of a licence the applicant may appeal to the magistrate's court within 21 days of being notified of the decision, save where the application was refused on grounds of locality or numerical limit in which case the applicant may only challenge the refusal by way of judicial review.

Licence Conditions

- 3.30 The Council is permitted under the 1982 Act to make standard conditions applicable to sex establishments. The Council has decided to produce such standard conditions which shall apply to every licence granted, renewed or transferred unless they have been expressly varied or excluded.
- 3.31 Copies of these standard conditions can be found at Appendix 1 to this policy.

Renewal Applications

- 3.32 If before the date of expiry of a licence an application has been made for its renewal it shall be deemed to remain in force until the withdrawal of the application or its determination by the Council.

Variation of a licence

- 3.33 A licence holder may at any time apply to vary a term, condition or restriction of a licence, to change the location of a licensed vessel or stall.
- On receipt of an application to vary the Council may:
- (a) make the variation as requested;
 - (b) make such variations as it thinks fit; or
 - (c) refuse the application.

Cancellation of a licence

- 3.34 Upon receipt of a written request from the licence holder the Council may cancel the licence.
- 3.35 Should a licence holder die then the licence will be deemed to have been granted to the licence holder's personal representatives and will remain in force for three months from the date of the licence holder's death and will then expire. This period can however be extended if the Council is satisfied that an extension is necessary for the purpose of winding up the late licence holder's estate. The Council will only do so where there are no circumstances that make such an extension undesirable.

Revocation of a licence

- 3.36 A licence may be revoked at anytime on any one of the mandatory grounds for refusal of a licence set out at 3.20 or the discretionary grounds set out at 3.21 (a) and (b).
- 3.37 Before a licence is revoked a licence holder will be given the opportunity to appear before and be heard by Licensing Committee.
- 3.38 If a licence is revoked:
- (a) the Council shall provide the licence holder with the reasons for its revocation in writing within 7 days of a request being made;

- (b) its holder will be disqualified from holding or obtaining a licence in the area of the Council for a period of 12 months from the date of the revocation; and
- (c) the decision does not take effect until the time for bringing an appeal has expired and if an appeal is brought until the determination or abandonment of that appeal.

4. OFFENCES

4.1 Paragraphs 20 to 23 of Schedule 3 set out the offences, which can be committed with regard to the licensing of sex establishments and the penalties. They include:

- knowingly causing or permitting the use of any premises, vehicle, vessel or stall as a sex establishment without a licence;

4.2 A person guilty of any of the offences above is liable on summary conviction to a fine.

4.3 It is also an offence for the holder of a licence, without reasonable excuse to fail to exhibit a copy of the licence and any standard conditions applicable to the licence in a suitable place as specified in the licence. A person guilty of this offence shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.
