Dear Sir/Madam,

I write in reference to calls for comments on additional sites in the RV Development Plan Document.

I support the decision of RVBC Planning 17th July 2018 to include an additional allocation to **MM3-Site 13 Highmoor Farm** in Clitheroe and to propose no increase in the housing numbers allocated to **Site HAL2 Wilpshire**.

A comparison of the two sites immediately shows better access, topography, highway safety and residential amenities to be available from the Highmoor Farm site in Clitheroe.
