Introduction

- 1.1 Local Authorities are now required, in accordance with The Community Infrastructure Levy (Amendment) (England) (No.2) Regulations 2019, to produce an Infrastructure Funding Statement (IFS) annually that sets out details about planning obligation receipts and anticipated expenditure.
- 1.2 The publication of this Infrastructure Funding Statement (IFS) is a legal requirement arising from the Community Infrastructure Levy Regulations 2019. All LPAs must publish an annual report covering both CIL and S106 obligations regarding the monies secured, received, held and spent, as well as provision of certain on-site infrastructure, such as affordable housing. This is the second IFS published by the council and complies with the requirement to cover the financial year 2020/21 (1st April 2020 to 31st March 2021). The purpose of this document is to provide clarity and transparency to local communities and developers on infrastructure expenditure.
- 1.3 The intention is that the data and infrastructure funding statements will give policy makers better insights into how developer contributions are supporting new development and local infrastructure.
- 1.4 This report provides a summary of financial contributions the Council has secured through Section 106 agreements (s106) from new developments.
- 1.5 The report provides –
 - An overview of Planning Obligations
 - Contributions sought by Ribble Valley Council (both on-site and off-site)
 - S106 contributions secured during the 2020/21 monitoring period
 - The s106 contributions received by the Council during the 2020/21 monitoring period
 - The s106 contributions utilised by the Council in the 2020/21 monitoring period
 - Contributions delivered on site from S106 contributions during 2020/21 monitoring period
 - Previously secured s106 contributions
- 1.6 The information included in the report will be updated annually and published on the Council's website. This will ensure the most up to date information on the amount of developer contributions received by the Council from new developments, in addition to information on where these monies have been spent is readily available to members of the public and other interested parties.
- 1.7 As part of the developer contributions annual requirement, three separate CSV files have been created which are available to view on our website.

Planning Obligations

- 2.1 Planning obligations are legal obligations entered into to mitigate the impacts of a development proposal.
- 2.2 This can be via a planning agreement entered into under Section 106 of the Town and Country Planning Act 1990 by a person with an interest in the land and the Local Planning Authority; or via a unilateral undertaking entered into by a person with an interest in the land without the local planning authority.
- 2.3 Planning obligations run with the land, are legally binding and enforceable. A unilateral undertaking cannot bind the Local Planning Authority because they are not party to it.
- 2.4 Planning obligations assist in mitigating the impact of unacceptable development to make it acceptable in planning terms. Planning obligations may only constitute a reason for granting planning permission if they meet the tests that they are necessary to make the development acceptable in planning terms. They must be:
- necessary to make the development acceptable in planning terms;
 - directly related to the development; and
 - fairly and reasonably related in scale and kind to the development
- 2.5 Key Statement DS1 of the Adopted Core Strategy sets out that Planning Obligations will be used as a mechanism to deliver development that contributes to the needs of local communities and sustainable development. Contributions can either be in kind or in the form of financial contribution with a clear audit trail of how any monies will be spent and in what time frame.
- 2.6 Obligations will be negotiated on a site-by-site basis. The Council cannot ask for contributions via s106 planning obligations in certain circumstances (as set out within the Planning Practice Guidance):
- Planning obligations for affordable housing should only be sought for residential developments that are major developments...For residential development, major development is defined in the National Planning Policy Framework as development where 10 or more homes will be provided, or the site has an area of 0.5 hectares or more. For non-residential development it means additional floorspace of 1,000 square metres or more, or a site of 1 hectare or more, or as otherwise provided in the Town and Country Planning (Development Management Procedure) (England) Order 2015.
- 2.7 Once the s106 has been signed, it is an obligation, but it will only be realised if the planning permission is implemented and reaches the trigger point for payment. Trigger points can include the commencement of the development or occupation of dwelling houses and for larger developments are often phased. When planning permission is granted, the s106 obligation is registered as a land charge which stays with the land, obligating any future owners until the terms are met.

- 2.8 Contributions to education, transport and highways have been secured through the s106 process for Lancashire County Council, with the County Council signatures to the Agreement, and will, in most cases, be paid directly to them for use as specified in the s106 Agreement. Lancashire County Council monitor and report on these separately (the tables identify which obligations will go directly to LCC).
- 2.9 Please note that data on developer contributions is imperfect because it represents estimates at a given point in time and can be subject to change. However, the data reported within this document is the most robust available at the time of publication.

Contributions sought

Housing – affordable housing

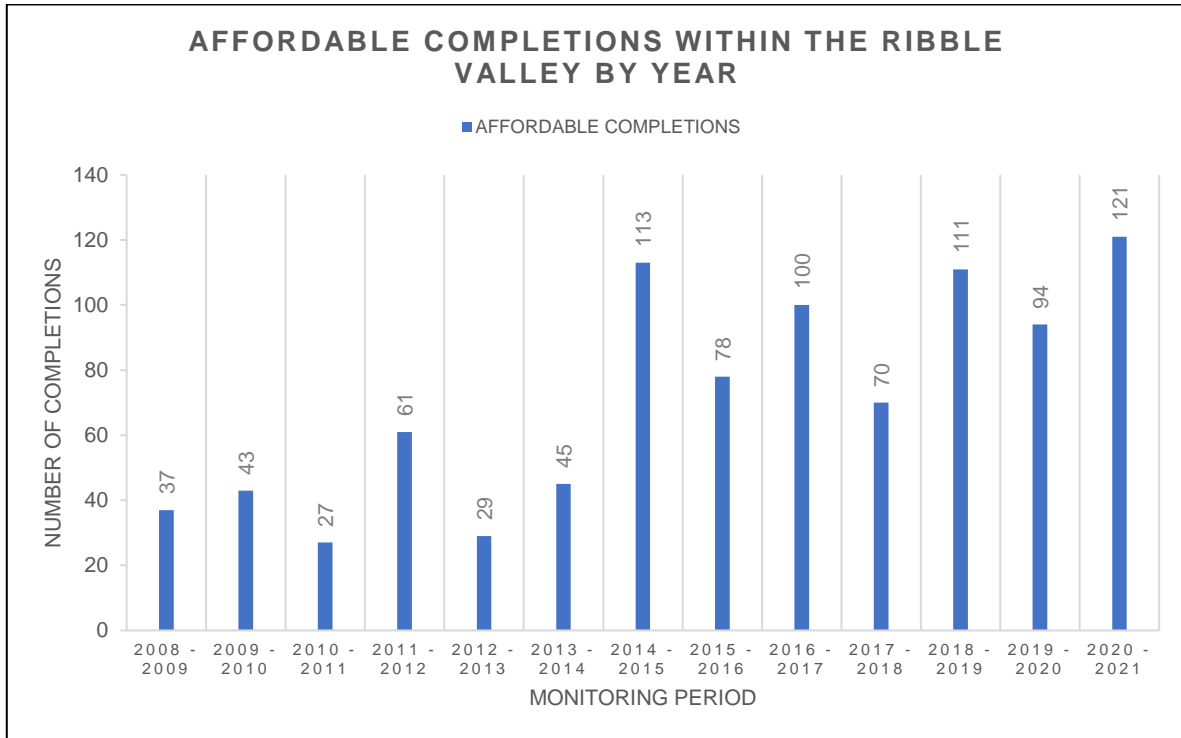

- 3.1 Key Statement 3 of the Adopted Core Strategy sets out the affordable housing requirements associated with new development as follows:
- 3.2 Within the settlement boundaries of Clitheroe and Longridge, on housing developments of 10 units or more dwellings (or sites of 0.5 hectares or more, irrespective of the number of dwellings) an element of affordable, local needs housing will be required on all schemes. The Council will seek affordable housing provision at 30% of units on the site.

37 Affordable properties have been secured as part of development at Bowland Meadow, Longridge.

- 3.3 In all other locations in the borough, on developments of 5 or more dwellings (or sites of 0.2 hectares or more irrespective of the number of dwellings) the council will require 30% affordable units on the site.
- 3.4 Within the negotiations for housing developments, 15% of the units will be sought to provide for older people on sites of 10 units or more. Within this 15% figure a minimum of 50% would be affordable and be included within the overall affordable housing threshold of 30%. The remaining 50% (ie the remaining 50% of the 15% older people's element) will be for market housing for older people.
- 3.5 Affordable housing should be provided on-site in the first instance, although off-site contributions or a payment in lieu will be allowed in exceptional circumstances. In such circumstances the Council will identify suitable schemes for utilising the commuted sums to increase the supply of affordable housing within the Borough.

3.6 In the period 2020/21, 121 affordable dwellings were completed within the Borough, including the purchase of two properties using commuted sums monies which are to be used as affordable houses. Graph one below indicates that this was the highest ever provision of affordable dwellings completed within a single monitoring period in the Ribble Valley.

Graph 1: Bar Chart displaying affordable housing completions within the borough.

Public Open Space and Recreation

- 3.7 The Council recognises the importance that open space and green infrastructure makes to the quality and attractiveness of an area and the pressures that can exist to redevelop facilities. Consequently, the Council has sought to protect recognised areas of public open space and to put in place a mechanism to secure additional facilities where it is supported by evidence when considering proposals.
- 3.8 Policy DMB4 of the Adopted Core Strategy confirms that on all residential sites of over 1 hectare, the layout will be expected to provide adequate and usable public open space.
- 3.9 On a site-by-site basis, the council will also negotiate for provision on smaller sites, or seek to secure an off-site contribution towards provision for sport and recreational facilities or public open space within the area where the overall level of supply is inadequate.
- 3.10 The off-site leisure contribution is calculated on the basis of occupancy ratios at a rate of £216.90 per person as follows:

- 1 bed unit - 1.3 people
- 2 bed unit - 1.8 people
- 3 bed unit - 2.5 people
- 4 bed unit - 3.1 people
- 5 + bed unit - 3.5 people

3.11 The off-site contribution will be used to improve existing facilities within the Borough or to support the provision of new facilities for the benefits of our residents and visitors.

Holme Play Area, Sabden – Supported by S106 contributions.

Longridge Loop

3.12 The Longridge Neighbourhood Development Plan (2018 – 2028) recognises that the route provides an opportunity to create a safe route around the Town. Where appropriate, commuted sums are secured from residential developments in Longridge to assist the Town Council with delivering this route.

Biodiversity

3.13 Key statement EN3 of the Adopted Core Strategy sets out that new development in vulnerable areas should ensure that risks can be managed through suitable measures, including through the conservation of biodiversity, improvement of ecological networks and the provision of green infrastructure. The Council’s commitment to conserving and enhancing the area’s biodiversity and geodiversity is reiterated on Key Statement EN4. Where appropriate off-site commuted sums will be secured to enhance biodiversity within the Borough.

Primrose Lodge, Clitheroe.

Section 106 Agreements Signed (2020/21)

- 4.1 A full list of planning applications with S106 Agreements which were signed in the period 2020/21 are provided in Table 1 below.

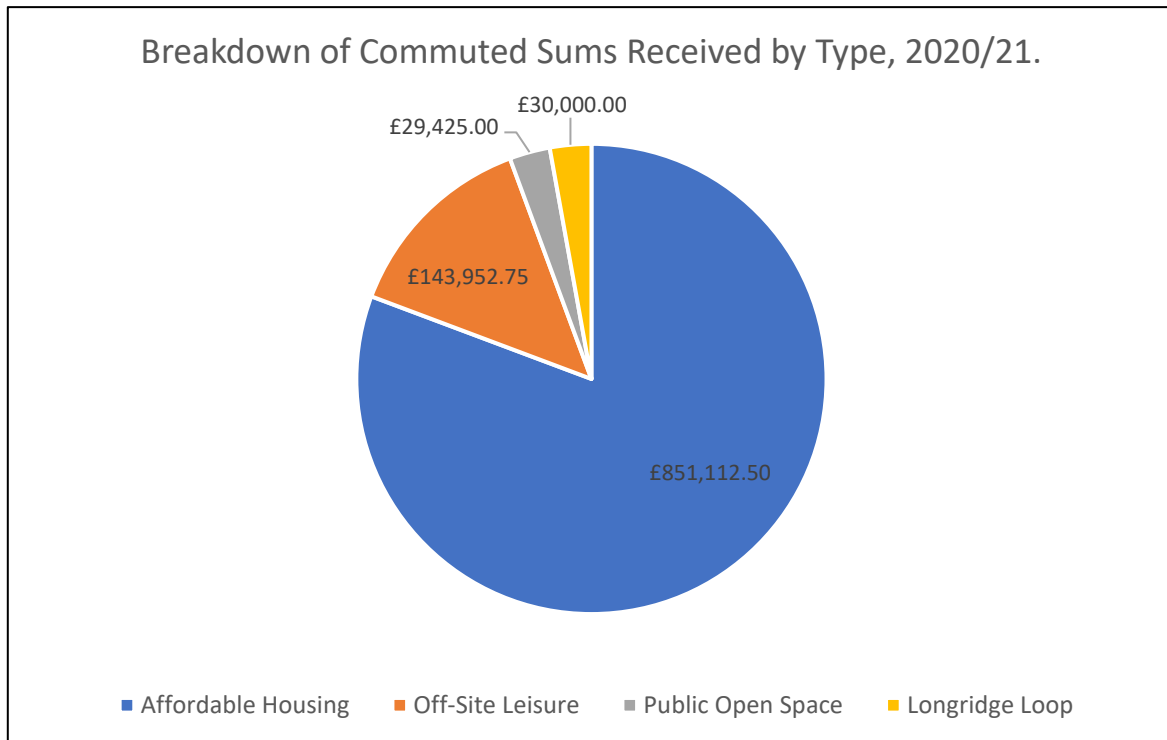

Table 1- Legal Agreements completed 2020/21

Application Number	Address	Description of Development	Agreement Type	Date Signed	Obligations - Ribble Valley Lancashire County Council
3/2020/0215	The New drop, Stoneygate Lane, Ribchester, PR3 2XE	Conversion of Public House to five dwellings.	S106 Agreement	7 th August 2020	<p>Affordable Housing N/A</p> <p>Over 55s Accommodation N/A</p> <p>Off-Site Leisure Contribution £3101.67 payable for off-site leisure facilities.</p>
3/2020/0309	Spout Farm, Preston Road, Longridge,	Erection of 34 dwellings and associated works.	Unilateral Undertaking	17 th December 2020	<p>Affordable Housing On site provision of 10 dwellings.</p> <p>Off-Site Leisure Contribution An off-site recreation contribution of £21,321.27 must be paid to the council for improvements at the Council Recreation Grounds at Kestor Lane and Highfield Drive, Longridge</p> <p>Biodiversity Contribution of £17,000 must be paid to the Council for a predator resistant fence around the adjacent Alston Wetlands</p> <p>Community Contribution of £3000 is payable for work to the Longridge Loop route.</p> <p>Education Primary education contribution of £167,499.60 to be paid to the County Council for the provision of additional</p>

Section 106 financial contributions received (2020/21)

5.1 In 2020/21, **£1,054,490.25** was received in financial contributions from S106 agreements. Graph 2 shows a breakdown of the sums received by category, with full details in Table 2.

Graph 2: Illustration of commuted sums received in the period 2020/21 by contribution type.

Table 2 – Commuted Sums Received 2020/21

Application Number	Address	Description of Development	Date Agreement Signed	Contribution Received	Date Received	Purpose
3/2015/0688 3/2017/0054	Land at Dilworth Lane, Longridge	Erection of 195 dwellings.	30 March 2015	£536,563.50 affordable housing contribution	3 March 2021	The second of three affordable housing triggers totalling £1.6 Million. To be used to address housing needs within Longridge or elsewhere in the borough of the Ribble Valley.
3/2016/0374 3/2017/0603	Land East of Clitheroe Road, Barrow	Erection of nine dwellings and associated works.	9 October 2017	£185,760 affordable housing contribution	January 2021	For the purpose of addressing housing needs in Barrow or elsewhere within the Council's area of the Borough as set out in the Council's Commuted Sum Policy.
3/2012/0942 3/2015/0895	Land at Pendle Road, Clitheroe (Standen)	1040 residential dwellings, local retail, employment, service, and community facilities.	16 April 2014 VOC 11 April 2016	£133,333.33 off-site leisure contribution	October 2020	To be applied towards the provision of additional and improved sports and leisure facilities in Clitheroe to serve the development.
3/2014/0618	Land at Chatburn Old Road, Chatburn	Erection of 10 dwellings.	14 October 2016	£68,789 affordable housing contribution	8 February 2021	for the purpose of addressing housing needs in Chatburn or elsewhere within the Council's area of the Borough.
3/2014/0183 3/2017/0183	Land at Church Raike, Chipping	Residential development of 39 dwellings including appearance, landscaping, layout and scale.	21 December 2017	£30,000 affordable housing contribution	November 2020	For the purposes of providing affordable housing within the administrative district of the Council.
3/2016/0974; 3/2018/0105	Land at Preston Road, Longridge	Erection of 256 dwellings, a local neighbourhood centre, access arrangements and associated landscaping/wildlife infrastructure.	15 September 2017	£30,000 Longridge Loop contribution	18 March 2021	For investments and improvements to the Longridge Loop.
3/2014/0183 3/2017/0183	Land at Church Raike, Chipping	Residential development of 39 dwellings including appearance, landscaping, layout and scale.	21 December 2017	£30,000 affordable housing contribution	November 2020	For the purposes of providing affordable housing within the administrative district of the Council.
3/2012/0964	Land at Whalley Road, Hurst Green	Erection of thirty dwelling houses, creation of a new access onto Whalley Road, new estate road, landscape, servicing, a replacement school car park, pick-up and drop-off provision, and public open space, along with demolition of the existing agricultural building	24 th March 2014	£25,000 Public Open Space contribution	April 2020	In respect of the improvement and maintenance of the existing village green are in the village of Hurst Green.

3/2014/0183 3/2017/0183	Land at Church Raike, Chipping	Residential development of 39 dwellings including appearance, landscaping, layout and scale.	21 December 2017	£10,619.42 off-site leisure contribution	November 2020	For the purposes of providing an off-site play area within the vicinity of the development.
3/2016/0374 3/2017/0603	Land East of Clitheroe Road, Barrow	Erection of nine dwellings and associated works.	9 October 2017	£4,425.00 public open space contribution	January 2021	To be used by the Council for open space and sports and recreational projects in the Barrow and Whalley area.
TOTAL				£1,054,490.25		

Section 106 Expenditure

- 6.1 The Council is committed to ensuring that the necessary infrastructure required to enable development to be accommodated will be delivered. The Council recognises the importance of delivering all types of infrastructure needed to support growth and is committed to maximising the benefits secured from development.
- 6.2 Table 3 sets out the S106 contributions which were utilised within the 2020/21 financial year within the Ribble Valley. This equates to **£286,965.58**.
- 6.3 Most expenditure within this financial year has been utilised to deliver affordable housing in the borough, in addition to that which has already been secured and delivered on site. The Authority is committed to ensuring that a range of housing is delivered within the Borough which includes affordable houses which are needed. Whilst the preference of the Council is for affordable housing to be delivered on-site through new developments to create mixed, sustainable communities, in the rare instances where on site delivery is not possible a commuted sum will be secured to enable the provision of off-site affordable housing.
- 6.4 Within 2020/21, commuted sums for affordable housing have been used to purchase two dwellings in Longridge and Clitheroe, which have been renovated and are now let as affordable properties. The scheme has been a great success and represents an example of how the Council will seek to use commuted sums in the future.

Table 3- Commuted sums utilised 2020/21

Application Number	Address	Description of Development	Date Signed	Contribution Spent	Utilised for
3/2014/1018	Barnacre Road Longridge	Demolition of existing buildings and erection of 33 units of retirement living housing (Category 11 type accommodation), communal facilities, landscaping and car parking.	20 th August 2020	£125,768.92	Utilised to buy the second of two affordable dwellings in Longridge.
3/2018/0008	Land at Peel Park Avenue (Pendlebrook + Springbrook)	Demolition of existing dwelling and erection of 34 bungalows for the over 55s with associated access, parking, landscaping and open space.	19 October 2018	£17,000.00	Used to purchase an affordable property within Clitheroe. Used in conjunction with £123,840 received from S106 tied to 3/2014/0725, Land off Clitheroe Road, Whalley.
3/2014/0725	Land off Clitheroe Road, Whalley	Proposed erection of 7 no. dwellings and associated works	8 December 2014	£123,840.00	Used to purchase an affordable property within Clitheroe. Used in conjunction with £17,000 received from S106 tied to 3/2018/0008, Land at Peel Park Avenue, Clitheroe.
3/2014/0764	Land East of Chipping Lane Longridge	Development of up to 363 homes including affordable housing and housing for the elderly, relocation of Longridge Cricket Club to provide a new cricket ground, pavilion, car park and associated facilities, new primary school, vehicular and pedestrian access, and open space.	29 October 2015	£7,256	Payment authorised to Longridge Town Council for improvement works to the Longridge Loop.

Application Number	Address	Description of Development	Date Signed	Contribution Spent	Utilised for
3/2018/0361	Former Victoria Mill Watt Street Sabden	Full application for the demolition of existing structures and removal of culvert to Sabden Brook; development of 30 dwellings including re-construction of former Marbil office buildings as new dwellings; reconstruction of base of mill chimney as an ecology tower and associated access and landscaping.	17 th September 2018	£13,100.66	Used to pay an invoice from Sabden Parish Council related to contributions towards the improvement and future maintenance of existing play facilities and youth activities in Sabden. This includes: <ul style="list-style-type: none"> 1. Installation of a 6050-062 High Pedestal Slide, safety surfacing and associated ground works. 2. Supply and lay Notts Sport Childs play 60 under existing swings onto existing safety surface.
TOTAL				£286,965.58	

Current Section 106 balances

- 7.1 As a result of the income and expenditure set out above, the closing balance for the period 1 April 2020 – 31 March 2021 (2020/21) is **£767,524.67**.
- 7.2 When this figure is added to the closing balance at the end of the period 2019-20, the total Section 106 balance is **£1,601,342.41**.
- 7.3 For a detailed breakdown of Section 106 Agreements please refer to Appendix 1 – ‘Schedule of S106 Agreements’ where a full schedule of contributions, scheme details, receipted and spent contributions are detailed.
- 7.4 Whether, of the total balances detailed above, monies are committed to a specific project or are currently unallocated varies depending on the nature of the contribution and the service area within which it sits.

Obligations Delivered on Site

- 8.1 The Council’s preference is to deliver affordable housing on site to create mixed, sustainable communities. In 2020/21 117 affordable houses were delivered on new development sites within the Borough as set out below (two additional properties delivered through the purchase of existing dwellings for an affordable house utilising off-site commuted sum contributions):

Table 4- Affordable Housing Delivery

Application Number	Address	Obligation	Affordable Housing delivered 2019/20
3/2014/0764	Land East of Chipping Lane Longridge	30% on site provision	28 on site affordable dwellings delivered: <ul style="list-style-type: none"> • 12 Discount sale units • 7 Affordable/social rent • 9 shared ownership
3/2016/0974	Land west of Preston Road Longridge	30% on site split as follows: <ul style="list-style-type: none"> • 50% affordable home ownership • 50% affordable rent 	6 on site affordable dwellings delivered: <ul style="list-style-type: none"> • 4 Shared Ownership • 2 Affordable Rent
3/2017/0573	Land off Union Street Clitheroe	11 on-site affordable housing provision as follows: <ul style="list-style-type: none"> • 2 affordable rented • 2 discounted sale units • 3 shared ownership 	3 on site affordable dwellings delivered: <ul style="list-style-type: none"> • 1 affordable rent • 2 shared ownership

Application Number	Address	Obligation	Affordable Housing delivered 2019/20
		<ul style="list-style-type: none"> 4 bungalows (over 55 accommodation) 	
3/2017/0653	Land at Chatburn Road Clitheroe	9 on-site affordable dwellings as follows: <ul style="list-style-type: none"> Six affordable home ownership Three affordable rented units 	9 on site affordable dwellings delivered: <ul style="list-style-type: none"> 4 Discount sale units 2 shared ownership 3 Affordable Rent
3/2019/0661	Land off Petre Wood Crescent, Langho	31 dwellings, 100% affordable housing split by: <ul style="list-style-type: none"> 50% Social Rent 50% Affordable Home Ownership 	6 on site affordable dwellings delivered: <ul style="list-style-type: none"> 6 Affordable home ownership
3/2015/0895	Land at Higher Standen Farm and Part Littlemoor Farm Clitheroe	Each phase delivers 30% affordable housing (50/50 affordable rented/shared ownership)	25 on site affordable dwellings delivered: <ul style="list-style-type: none"> 14 shared ownership 11 affordable rent
3/2012/0630	Land to South-West of Barrow and West of Whalley Road Barrow (Parcel A)	30% on-site affordable housing within each parcel including 50% of the Elderly Person Units	25 on site affordable dwellings delivered: <ul style="list-style-type: none"> 18 shared ownership 7 Affordable Rent
3/2012/0964	Land to the north of Whalley Road Hurst Green	9 On-site affordable units: <ul style="list-style-type: none"> 4 Affordable Rent 5 shared ownership 	4 on site affordable dwellings delivered: <ul style="list-style-type: none"> 1 Shared Ownership 3 Affordable Rent
3/2018/0181	Land off Waddington Road, Clitheroe	62 on-site affordable units: <ul style="list-style-type: none"> 31 Shared Ownership 31 Affordable Rent 	4 on-site affordable dwellings delivered: <ul style="list-style-type: none"> 4 Shared Ownership
3/2017/0183	Land at Malt Kiln Brow, Chipping	20% on-site affordable dwellings: <ul style="list-style-type: none"> 50% discount sale 50% affordable rent 	7 affordable dwellings delivered: <ul style="list-style-type: none"> 3 Affordable Rent 4 Discount Sale

Monitoring Fees

- 9.1 The Community Infrastructure Levy (Amendment)(England)(No.2) Regulations 2019 now allow Local Authorities to charge a monitoring fee through section 106 planning obligations, to cover the cost of the monitoring and reporting on delivery of that section 106 obligation.
- 9.2 Monitoring fees can be used to monitor and report on any type of planning obligation, for the lifetime of that obligation. However, monitoring fees should not be sought retrospectively for historic agreements.
- 9.3 The regulations allow monitoring fees to be either a fixed percentage of the total value of the section 106 agreement or individual obligation; or could be a fixed monetary amount per agreement obligation; or Authorities may decide to set fees using other methods. However, in all cases, monitoring fees must be proportionate and reasonable and reflect the actual cost of monitoring.
- 9.4 Authorities must report on monitoring fees in their infrastructure funding statements. Therefore, the following monitoring fees will be added to any s106 agreements associated with planning applications signed from 1st April 2021. The fees set out below are considered to be proportionate and will contribute to the Council’s reasonable costs of monitoring each obligation.
- 9.5 Monitoring fees will be reviewed annually to reflect up-to-date costs. To clarify, the fee will be added to the s106 requirements.

Table 5- Monitoring Fees

Type of Obligation	Monitoring Fee	Payment terms
Commuted sum	1% of each payment instalment	To be included on the invoice for the payment
On-site provision (i.e affordable housing)	£1,000 per development site/ parcel	On occupation of the first dwelling
