#### Explanatory note

Income from decriminalised parking enforcement is known as Section 55 income and must be spent on transport related activities. Income from other parking services, such as off-street car park charges, is not restricted in this way.

A Section 55 Parking Account must be produced each year and must include:

- Income from on-street parking charges and on-street parking fines and off-street car park fines
- Expenditure on the provision and maintenance of designated parking places and enforcement activities.

If a surplus is recorded on the Parking Account, a breakdown of how that surplus has been spent should be provided.

The Parking Account does not include income from off-street car park charges.
