

Dear Resident

Sustainable Warmth - Home Upgrade Grant Scheme

Your property has been identified as potentially being suitable for a Home Upgrade Grant as records show your property is not heated by gas central heating.

The scheme is being delivered by the Lancashire Local Authorities under the Cosy Homes in Lancashire initiative with the aim of improving the energy efficiency of eligible homes and reducing energy bills.

Local Authorities in Lancashire have successfully secured £9 million of government funding to install energy saving measures which include:

- Solid Wall Insulation
- Solar Thermal/Solar PV
- Cavity Wall Insulation
- Room in Roof Insulation
- External Wooden Door Upgrades
- Air Source Heat Pumps
- Loft Insulation
- Under Floor Insulation
- Single Glazed Window Upgrades

Please note the scheme does not cover gas boiler replacements and all measures are subject to survey.

The grant is up to £10,000 per property and is free for owner-occupiers. Tenants can apply, for a grant of up to £5,000 with their Landlords permission, but the Landlord will be expected to pay a contribution. To be eligible to apply for the grant you must:

- Have a household income of less than £30,000 or be in receipt of a means tested benefit
- Have a property with an Energy Performance Certificate (EPC) Rating of D, E, F or G. If you don't have an EPC then a survey can be done as part of the scheme.

For more information please go to our website www.chil.uk.com where you will also find the on-line application form. Alternatively please complete the enclosed form and return in the free-post envelope provided remembering to provide proof of your eligibility.

If this does not apply and your property has a gas central heating system, please accept our apologies and feel free to recycle this letter.
