

# THE RIBBLE VALLEY JUBILEE TRAIL 2022 | Section 2

Downham to Bolton by Bowland 15078 m / 15.1 km / 9.4 miles

This is a similar distance to the first section, but much less demanding as it tracks over farmland to the village of Rimington. From there, a direct route takes us to Gisburn which is on the main A59 and offers many facilities.

From Gisburn there is a length of road walking on a quiet, well-maintained country lane. Leaving the road, we then track across to join the River Ribble and onwards to Bolton Hall, finally arriving in the historic village of Bolton by Bowland.
