

# THE RIBBLE VALLEY JUBILEE TRAIL 2022 | Section 3

**Bolton by Bowland to Slaidburn 18082 m / 18.1 km / 11.2 miles**

Leaving Bolton by Bowland on the first of the two longer sections, we head north across rolling fields to reach the hamlet of Tosside on the border with North Yorkshire, offering splendid views of the Yorkshire Three Peaks.

From here we join the woodland tracks of Gisburn Forest, turning west past the Visitor Centre and café to arrive at the impressive expanse of Stocks Reservoir – built in the 1930's to service Preston – before descending to the picturesque village of Slaidburn.
