

THE RIBBLE VALLEY JUBILEE TRAIL 2022 | Section 6

Hurst Green to Mellor 10783 m / 10.8 km / 6.7 miles

Leaving Hurst Green, the route descends to join the Ribble again for a short way before climbing slowly to the hamlet of Copster Green. From there we cross the A59 to climb gently to the village of Mellor with an interesting disused Royal Observer Corps bunker and admire splendid views to match those of Pendle Hill across an expanse of the North of England from the summit on Mellor Moor.
