

THE RIBBLE VALLEY JUBILEE TRAIL 2022 | Section 7

Mellor to Whalley 12355 m / 12.4 km / 7.7 miles

In the final section from Mellor, the route returns north-east to follow the Borough boundary with neighbouring Blackburn, descending to the community of Wilpshire. A short but steep ascent takes us across the local golf course to Wilpshire Moor and splendid views of Pendle Hill as we start to approach Whalley from the return side.

Some road walking on a quiet country lane brings us to a steep but very picturesque final descent to our starting point in Whalley and the completion of the Jubilee Round!
