REVIEW OF POLLING DISTRICTS AND POLLING PLACES AND POLLING STATIONS 2024

Introduction

Within each local authority area, legislation requires councils to carry out reviews of the Polling Districts and Polling Places in that area. The Ribble Valley Borough Council area is divided into polling districts, with one or more polling districts making up a Ward, and with a polling place being an area or building within a polling district in which a polling station is situated.

The Electoral Registration and Administration Act 2013 governs the timings of compulsory reviews. The next compulsory review is due to commence in the 16-month period beginning on 1 October 2023. A council can conduct a review at any time, but it will still have to conduct a full review during the compulsory timeframe.

This document has been distributed to disability groups, charities, political parties, Ward Councillors, Parish Councils and County Councillors. The proposals within this document will be consulted on, and comments received will be considered before final recommendations are made.
