I hereby state that at the above mentioned Elections, after the ballot papers in the ballot boxes have been counted and the number recorded and before the ballot papers were mixed up, I verified in the presence of the election agents of the Candidates the Ballot Paper Account given by each Presiding Officer by comparing it with the number of Ballot Papers recorded by me, [and the Unused and the Spoilt Ballot Papers in my possession, and the Tendered Votes List,] and I find as the results of such verification that the said Ballot Paper Accounts for the above local counting area are correct.

DATED this 24th day of May 2019

Marshall Scott

Local Returning Officer
